**To: The Shareholders of JHM Consolidation Berhad**

Dear Sir/Madam,

**STATEMENT TO THE SHAREHOLDERS IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

---

**1. INTRODUCTION**

The Board had on 16 April 2024, announced the Company's intention to seek shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming AGM.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the ordinary resolution pertaining thereto to be tabled at the forthcoming 19<sup>th</sup> AGM. The Notice convening the 19<sup>th</sup> AGM of JHM and the Form of Proxy are enclosed in the 2023 Annual Report of the Company.

**2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

2.1 At the Eighteenth (18<sup>th</sup>) AGM held on 31 May 2023, the Company sought and obtained its shareholders' approval for the Company to purchase and/or hold in aggregate up to 10% of the total number of issued shares of the Company as quoted on Bursa Securities at any point of time. In accordance with the Listing Requirements governing the purchase of its own shares by a listed company, the existing Share Buy-Back Authority will continue in force until the conclusion of the forthcoming 19<sup>th</sup> AGM of the Company.

The Company is proposing to seek approval for renewal of Share Buy-Back Authority from the shareholders at the forthcoming 19<sup>th</sup> AGM of JHM to be convened on 27 May 2024 for the Company to purchase up to 10% of the total number of issued shares of the Company.

The Proposed Renewal of Share Buy-Back Authority will be effective immediately upon passing of the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority by shareholders of JHM at the forthcoming 19<sup>th</sup> AGM and will continue to be in force until: -

- a) the conclusion of the next AGM of JHM following the 19<sup>th</sup> AGM at which such resolution was passed at which time the authority would lapse unless renewed by ordinary resolution, either unconditionally or conditionally; or
- b) the expiration of the period within which the next AGM of JHM after that date it is required by law to be held; or
- c) the authority is revoked or varied by ordinary resolution passed by the shareholders of JHM in a general meeting;

whichever occurs first.

2.2 As at LPD, the total number of issued shares of the Company is 606,000,000 Shares. Hence, the maximum number of Shares which may be purchased by the Company is limited to 10% of the total number of issued shares of the Company, which is up to 60,600,000 Shares.

2.3 Pursuant to Paragraph 12.10 of the Listing Requirements, the Proposed Renewal of Share Buy-Back Authority must be made wholly out of the retained profits account of the Company. The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-back Authority shall not exceed the retained profits of the Company.

Based on our audited financial Statements for the financial year ended 31 December 2023, the retained profits of the Company stood at RM2,587,976.00.

2.4 Pursuant to the Listing Requirements, the purchase price of Shares cannot be more than 15% above the weighted average market price of our Shares for the 5 Market Days immediately preceding the date of the purchase. In the case of a resale or transfer of the treasury shares on Bursa Securities, the Company may only resell or transfer any treasury shares at a price, which is:

- (a) not less than the weighted average market price of Shares for 5 Market Days immediately prior to the date of the resale or transfer; or
- (b) a discounted price of not more than 5% to the weighted average market price for Shares for 5 Market Days immediately prior to the date of the resale or transfer, provided that:
  - (i) the resale or transfer takes place not earlier than 30 days from the date of the purchase; and
  - (ii) the resale or transfer price is not less than the cost of purchase of the Shares being resold or transferred.

2.5 The Directors may deal with Shares so purchased in accordance with the Act in the following manner: -

- (a) cancel the Shares so purchased;
- (b) retain the Shares so purchased as treasury shares; or
- (c) retain part of the Shares so purchased as treasury shares and cancel the remainder.

Where Shares so purchased are held as treasury shares, the Directors may deal with the treasury shares in the following manner: -

- (a) distribute the shares as dividends to shareholders, such dividends to be known as "share dividends";
- (b) resell the shares or any of the shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer the shares, or any of the shares for the purpose of or under an employees' share scheme;
- (d) transfer the shares, or any of the shares as purchase consideration;
- (e) cancel the shares or any of the shares; or

- (f) sell, transfer or otherwise use the shares for such other purposes as the Minister may by order prescribe.

Appropriate announcement(s) and/or notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act. The Board may decide to cancel the Purchased Shares if the cancellation of the said Shares is expected to enhance the EPS of the Group and thereby in the long term, have a positive impact on the market price of the Shares. If the Board decides to retain the Purchased Shares as treasury shares, it may distribute the treasury shares as share dividends to the Company's shareholders and/or resell the Purchased Shares in accordance with the Listing Requirements and utilise the proceeds for any feasible investment opportunity arising in future as working capital.

- 2.6 The Proposed Renewal of Share Buy-Back Authority will allow the Board to exercise the power of the Company to purchase its Shares at any time within the abovementioned period using the internal funds of the Company and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later, depending on, amongst others, the availability of internally generated funds, the actual number of Shares to be purchased and other relevant factors.

The actual number of Shares to be purchased and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits account and the financial resources available to the Company. In the event the Company purchases its own Shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment would have no material effect on the cash flow of the Company.

### **3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The Proposed Renewal of Share Buy-Back Authority has the potential of benefiting JHM and its shareholders in the following manner:

- (a) JHM will have the avenue of stabilising the supply and demand of its Shares in the open market and thereby supporting the fundamental values of Shares, in particular to ensure, where possible, that the market share price is fair reflection of the value of the Company;
- (b) JHM may also utilise the treasury shares as future dividend payout to the Company's shareholders and/or resell the Shares in the open market to profit from future price appreciation of Shares; and
- (c) The Proposed Renewal of Share Buy-Back Authority is expected to enhance the value for shareholders from the resultant reduction in the number of Shares in the open market, all things remaining equal. The Proposed Renewal of Share Buy-Back Authority also signals the focus of the Board and management of JHM on returns to shareholders.

### **4. POTENTIAL ADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows: -

- (a) The EPS of the JHM Group would be enhanced (all things being equal);
- (b) The Company may be able to reduce any unwarranted volatility of the Shares and assist to stabilise the supply, demand and price of the Shares in the open market, thereby supporting the fundamental value of the Shares;
- (c) If the Shares so purchased are retained as treasury shares, it will provide the Board an option to sell the treasury shares at a higher price and therefore make an exceptional gain for the Company. Alternatively, the treasury shares can be distributed as share dividends to shareholders;

- (d) Provides the Company with the flexibility in achieving the desired capital structure, in terms of debt and equity composition and size of equity; and
- (e) Allows the Company to take preventive measures against speculations particularly when the Shares are undervalued which would in turn, stabilise the market price of the Shares and hence, enhance investors' confidence.

**5. POTENTIAL DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The Proposed Renewal of Share Buy-Back Authority will temporarily reduce the financial resources of the Company. This may result in the Company foregoing other investment opportunities that may emerge in the future or, at least, deprive the Company of interest income that can be derived from funds to be utilised for the Proposed Renewal of Share Buy-Back Authority.

It may also reduce the amount of resources available for distribution in the form of dividends to the shareholders as funds are utilised to purchase its own Shares. However, the financial resources of the Company may recover and increase upon the re-selling of the Purchased Shares held as treasury shares.

Notwithstanding the above, the Board is of the view that the Proposed Renewal of Share Buy-Back Authority is not expected to have any material disadvantage to the shareholders as well as the Company as it will be implemented only after careful consideration of the financial resources of the Group and the resultant impact on the shareholders and the Company.

**6. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The effects of the Proposed Renewal of Share Buy-Back Authority are as follows:

**6.1 Number of Issued Shares**

The Proposed Renewal of Share Buy-Back Authority will have no effect on the total number of issued shares of JHM if all of the Shares purchased are held as treasury shares. The Proposed Renewal of Share Buy-Back Authority will reduce the total number of issued Shares of the Company as follows if all of the Shares purchased are subsequently cancelled: -

	No. of Shares
Total number of issued Shares as at LPD	606,000,000
Less: Maximum number of Shares that may be purchased	(60,600,000)
Total number of issued Shares after the Proposed Renewal of Share Buy-Back Authority	<u>545,400,000</u>

However, while the Shares are held as treasury shares, the rights attached to them as to voting, dividends and participation in other distribution or otherwise, are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of the Company's Shares or of a class of the Company's Shares for any purposes including substantial shareholding, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

**6.2 NA**

The consolidated NA of the Company may increase or decrease depending on the number of Shares purchased under the Proposed Renewal of Share Buy-Back Authority, the purchase prices of its Shares, the effective cost of funding and the treatment of its Shares purchased under the Proposed Renewal of Share Buy-Back Authority.

The Proposed Renewal of Share Buy-Back Authority will reduce the consolidated NA per Share when the purchase price exceeds the consolidated NA per Share at the time of purchase. On the contrary, the consolidated NA per Share will increase when the purchase price is less than the consolidated NA per Share at the time of purchase.

If the Shares purchased under the Proposed Renewal of Share Buy-Back Authority are held as treasury shares and subsequently resold on Bursa Securities, the consolidated NA per Share would increase if the Company realises a gain from the resale or vice versa. If the treasury shares are distributed as share dividends, it will decrease the Group's NA by the cost of the treasury shares.

### **6.3 Working Capital**

Although the Proposed Renewal of Share Buy-Back Authority will reduce the working capital of the JHM Group to the extent of the amount of funds utilised for the purchase of the Company's Shares, it is not expected to have a material effect on the working capital of the JHM Group.

The cash flow of the Company and of the JHM Group will be reduced and the extent of the cash flow reduction will depend on the number of Shares purchased and the purchase prices of the Shares.

### **6.4 Earnings**

The effect of the Proposed Renewal of Share Buy-Back Authority on the consolidated EPS of the Company will depend on the purchase prices paid for its Shares, the effective funding cost to the Group to finance the purchases of its Shares or any loss in interest income to the Group, if internally generated funds are utilised to finance the purchase of its Shares. Further, the purchase of Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

Assuming that any Purchased Shares are retained as treasury shares and resold on Bursa Securities, the effects on the consolidated earnings of the Company will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising from the exercise.

### **6.5 Dividends**

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, it may reduce the amount of distributable reserves available for payment of dividend as the funds to be allocated for the purchase of the Shares are utilised from the Company's retained earnings account.
